# OUR OBJECTIVE

---

- To ensure that the African youth, regardless of their socio-economic background, gender, or geographic location has access to high-quality, inclusive, and transformative education. This includes creating supportive learning environment that promote not only academic excellence but also personal growth, critical thinking, and leadership skills. By addressing the barriers of poverty, gender inequality, under-resourced schools, and lack of educational infrastructure, we aim to empower African youth in realizing their full potential. Through such empowerment, youth will be equipped to contribute meaningfully to their communities, drive innovation, and become active agents of positive social change and sustainable development across the African continent.
- This approach encompasses access to education, social development, and a broader vision for youth's role in shaping the future.

# WHY INDIA ?

India offers several compelling reasons for African students to choose it as a study destination:

## AFFORDABLE EDUCATION

Indian universities offer quality education at a much lower cost compared to Western countries. Tuition fees and living expenses in India are budget-friendly, making it accessible to students from various financial backgrounds.

## DIVERSE RANGE OF COURSES

India provides a wide variety of programs, including but not limited to, engineering, medicine, management, information technology, and arts, thus catering to the different interests and career aspirations of African students.

## WORLD-CLASS INSTITUTIONS

Many Indian institutions, such as the Indian Institutes of Technology (IITs), Indian Institutes of Management (IIMs), and many other medical schools are internationally recognized for their academic excellence.

## ENGLISH AS A MEDIUM OF INSTRUCTION

Most courses are taught in English, which is advantageous for African students from the English-speaking countries or from the countries familiar with the language.

## STRONG DIPLOMATIC AND CULTURAL TIES

India shares historical and cultural ties with many African nations; fostering a sense of connection and collaboration. This has led to scholarships, exchange programs, and initiatives specifically for the African students.

# WHY TO BE GLOBAL ARCUS CAREER DIPLOMAT

---

Under your guidance, these young people will make significant contributions to their families, communities, and ultimately, the nation.

To support students at the initial and grassroots levels through Global Arcus, with the goal of helping them access quality education in India. Your guidance and expertise would be invaluable in this endeavor.

By providing youth with the knowledge and skills they need, we can equip them to become competent leaders and contributors to society. Through education, we can shape the future of country and create a brighter tomorrow for all.

To provide orientation services to international students. The goal is to understand the challenges these students face when traveling to a new continent for their education and to offer support that eases their transition.

- **Shared Values:** Be part of a purpose-driven initiative that aligns business success with social responsibility.
- **Long-Term Impact:** Make a lasting difference in the lives of students and communities.
- **Transparent Operations:** A clear, accountable process that ensures your contributions benefit society.
